

Feedback from Phonics Workshop - Tues 7th February 2017

- Very informative - good reminder of sounds (P3 Parent)
- Workshop was really helpful. The games look fun. XXXX struggles with writing but prefers using the P.C. is the alphabetic code on the school website? I don't really get much feedback about school from XXXX.
- Excellent presentation - thank you! I'm still at a loss as to how to get my son to read at home but will try some of the techniques like paired reading.
- A very informative workshop. Lots of good ideas to take home and make it fun. It would be helpful to run phonics workshops more often for parents.
- A workshop style would be helpful with practical examples to work through.
- Thanks you the workshop was really helpful and informative.
- Great to see what the kids are learning with Mrs Pearson. Thank you for asking XXXX she was so excited.
- Very informative, even for me as a parent of two children further up the school. (I loved the paired reading idea). Found the relaxed and informal approach of the evening really easy to follow.
- Very helpful information for supporting my child at home, thank you.
- Very informative and will look out for the "tripod". Would like more info on the rules - if possible and the alphabet code. Great Workshop!
- Great talk, could have listened all night.
- Great to be reminded of the value of dictation.
 - Very helpful to see the games being played
 - Explanation of paired reading 'two voices' was helpful - Thank you
- Really useful evening. Would be good to be able to have a more age specific evening - thanks
- Really informative, great to see the children so involved and clearly enjoying learning!
- Firstly very appreciative of all the hard work Mrs Pearson has put into the evening. It was a clear presentation of all the ideas surrounding the teaching of phonics. The games will be useful - Thank you.
- It would be beneficial to have a P1 specific session for those of us who have their first child in P1! Very helpful, thanks.
- Really informative. Great refresh especially when children are older.
- Really useful. Loved presentation style.
- Really enjoyed the workshop. It helped me think about how to approach learning at home. Thanks
- Brilliant very informative. Well delivered. Would be useful more regularly to keep it in parent's minds.
- Well presented, very informative. Very scary also - will my child ever get there!
